

New Additions to our Inventory!

Numismagram Newsletter #3 (IV/2018)

It's been a busy month of buying and we're eager to present some great medals to you! This month's upload features a couple attractive Lafayette types, some French art deco medals with a nautical theme, and even something for the Beatles' fans out there! And, if the Beatles have music-in-medallic-form on your mind, we will be having a special mid-month upload in a few weeks which will surely hit that tune. Be on the lookout for more details regarding this upcoming thematic presentation.

We're also just a few weeks away from the second annual Chicago Coin Expo (18-21 April) where we will be in attendance. You can find us at Table 3, which will be located just after entering the bourse floor. The show's location this year is the historic Palmer House in the heart of downtown. We hope to see you there! (*Please note that the first day of the show is for exhibitors and those with early bird badges only; these badges can be purchased from the show's organizers*).
